Aftersales Business Development & Marketing BMW Approved Refinishing Products

BMW of North America, LLC, is pleased to announce the BMW approved refinishing products for use on BMW vehicles.

Important Updates:

- ❖ BMW Certified Collision Repair Centers (CCRC) are only permitted to use approved paint and refinish materials on all work performed on BMW Group vehicles at its collision repair location.
- ❖ If the vendor provides training, a copy of the vendor's training certificate must be provided to BMW NA in order to receive credit for paint training. Vendor training is only valid for 24 months.
- ❖ ColorSystem, Spies Hecker, Standox, and Glasurit paint products are **the only approved** refinishing products for use on BMW vehicles.
- ❖ BMW approved refinishing products from ColorSystem, Spies Hecker, Standox, and Glasurit are listed below.
