

OEM APPROVAL

Glasurit refinish products approved by Nissan

Glasurit has long been the paint system of choice for discriminating restoration and collision repair centers demanding the ultimate in quality and customer satisfaction. That's why nearly every leading car manufacturer in the world, including Nissan, choose our world-class finishes to complete their visions. Backed by BASF, the world's largest chemical company, Glasurit provides leading-edge technologies and more OEM certifications than any refinish brand on the market. We offer best-in-class color matching, with color formulations for all major manufacturers, along with unparalleled service and support, ensuring that vehicles are refinished to pre-accident condition. For top-of-the-line beauty that lasts, customer satisfaction and bottom line-boosting performance, choose what the world's leading automotive manufacturers choose. Choose Glasurit.

Attention: Parts & Service Managers

Dear Sir/Madam:

New Repair Paint Program for Nissan Vehicles

We are pleased to inform you of a new repair paint program for Nissan vehicles manufactured worldwide. We have appointed the paint manufacturers below as suppliers that we would like to recommend for your area.

- Akzo Nobel Coatings
- DuPont Performance Coatings
(Standex®, Spies Hecker®, DuPont® Refinish)
- BASF Coatings
(R-M and Glasurit)
- Kansai Paint
(RETAN PG2K, RETAN PG SOLO)
- PPG Industries
(PPG, Autocolor)
- Sherwin-Williams Automotive Finishes
(North America: Sherwin-Williams, Martin-Senour; Brazil, Argentina: Sherwin-Williams, Lazzuril; Chile: Sherwin-Williams, Baco; Mexico: Sherwin-Williams, Excelo; Europe: Sherwin-Williams, Scott Warren)
- Ixell®*

*Newly appointed supplier

In cooperation with the above paint suppliers, who have extensive experience in this field, this program has been designated to satisfy you in terms of the timely supply of new colors and new technology, better color matching, service, training, etc.

These paint suppliers will contact you to explain their products. We trust you will give due consideration to their products and services. We believe these arrangements will be fruitful and beneficial for you and your dealers.

Sincerely,

Yasuhiko Hishigata
